STATEMENT ON PASSAGE OF THE TRANSPORTATION BUDGET

COLUMBUS – In response to the final passage of Am. Sub. House Bill 51, the Transportation Budget, Governor Kasich issued the following statement:

“Passage of our Jobs and Transportation Plan marks a great day for all Ohioans and the job creators who depend on our highway system to ship goods throughout our state. This Turnpike plan is big change for our state, and I applaud the General Assembly for being open to and ultimately passing an innovative plan that will allow us to complete infrastructure projects faster, create 65,000 new construction jobs and help attract new job creators to Ohio.”
