ECONOMIC DEVELOPMENT EFFORTS HELP CREATE 1,217 JOBS
STATEWIDE

18 Companies Expected to Expand or Open Operations around Ohio

COLUMBUS – Gov. John R. Kasich today announced the approval of 18 proposals that are expected to collectively create 1,217 jobs and retain 4,576 jobs. Through collaboration and communication between the Governor's Office, JobsOhio and its regional partners, these projects were delivered to the Ohio Tax Credit Authority and approved on Monday. As a result, more than \$200 million in capital investment and \$49 million in new payroll is expected to be injected into communities across the state.

Projects approved by the TCA include:

CareSource Management Group Co. Inc. (Location TBD) expects to create 150 full-time positions, generating \$6.3 million in additional annual payroll (and retaining \$59.3 in existing payroll) as a result of the company's expansion project. CareSource is a leading public sector care company and is one of the largest Medicaid managed care plans in Ohio and the country. The Ohio Tax Credit Authority approved a 40 percent, seven-year Job Creation Tax Credit for the project.

Empire Packing Company (Location TBD) expects to create 200 full-time positions, generating \$4.9 million in new annual payroll as a result of the company's expansion at a new location which is still to-be-determined. Empire Packing is considered an expert in the perishable merchandising industry. The Ohio Tax Credit Authority approved a 50 percent, six-year Job Creation Tax Credit for the project.

Patented Acquisition Corporation, (Location TBD) expects to create 23 full-time positions, generating \$1.2 million in additional annual payroll (and retaining \$5.1 million in existing payroll) as a result of the company's expansion project at a location to-be-determined. Patented Acquisition Corporation's primary lines of business consist of conventional printing, digital services, and promotional products. Patented Acquisition Corporation is also an award winning graphic communications company. The Ohio Tax Credit Authority approved a 45 percent, six-year Job Creation Tax Credit for the project.
