

## Train the Trainer Sessions

Aligning with the Governor's Office of Faith-Based and Community Initiatives, the goal is to build capacity in your communities. With that goal in mind, Treasurer Boyce's Community Education and Empowerment staff will be offering quarterly train-the-trainer sessions in 2009. These trainings will cover all five topics and focus on training delivery methodologies. The focus of the train-the-trainer sessions will be on the "how to deliver" aspect as well as provide instructor and participant material.

Topics include:

- 1.) Budgeting
- 2.) Saving
- 3.) Credit and Debt
- 4.) Identity Theft
- 5.) Surviving Job Loss

The train-the-trainer sessions will be held on the following dates from 8:30 am until 3:00 pm:

August 11, 2009 - **FULL**  
December 15, 2009
